About Us

Shaffer Energy, An ISO 9001:2008 . having its presence in different parts of world & One of the leading organisation in field of Lighting, Architechural poles & Historical place restoration through Lighting effects.

We Designs and produces a broad selection of standard and custom-engineered street lighting poles, lamp posts, high-mast light towers, sports lighting poles and other essential lighting structures to support customers' outdoor illumination needs.

We are in few companies across the globe, which deals historical place beautification through Latest technolgy & lighting innovations.

To meet the growing demand for decorative outdoor lighting, Shaffer offers an excellent selection of attractive light poles, lamp posts and accessories which harmoniously integrate structural durability with enduring eye appeal.

We produce high quality steel and aluminum lightpoles and lampposts at state-of-the-art manufacturing facilities across India.

For many lighting professionals, steel and aluminum are the materials of choice for outdoor lighting poles.
